

## **Meet the Referral Registry Staff for King Service Area:**

**Leanna Adams** is a 2005 graduate of the Evergreen State College. She has BA degree is in Liberal Arts and Social Sciences. She has worked in the Non Profit sector for five years working with chemical dependency, homelessness, and domestic violence. She is a single parent with a teenage daughter. Leanna says, "My future goals are to complete graduate school and implement program ideas for Home Care Referral Registry. I feel very fortunate coming aboard HCRR at this time because I see a lot of growth potential within this organization. I feel very blessed being apart of the directions HCRR will take." Leanna is working full time in our Kent office.

**Jeff Cohn** comes to us with more than thirty years experience in business management and customer service, in public, private, and nonprofit sectors. While much of his work has involved day to day operations and management, he truly relishes the opportunity to work with people. "The Referral Registry is an invaluable service," says Jeff. "I am proud to be able to help secure positions for Individual Providers with clients in need of assistance." On Jeff's first day of work at the HCRR he and his wife found out they will be adopting a baby girl from China. We are very excited for them. Jeff is working full time in our Kent office.

**Jenny Treen** has worked for many years as a registered nurse in various areas of nursing. She has worked with PRN since 2001 doing home visits for developmentally disabled clients on the Medicaid Personal Care program of DDD. She has worked closely with Case Resource Managers. She has also had the opportunity to work with and talk with providers on home visits and in classes as an instructor with the PRN training program. "It's refreshing and exciting to be working with the Referral Registry and offering clients and providers a new choice to help solve staffing problems." Jenny will be working part-time for us at the Aging and Disability Services Office in Seattle. She and her family have lives in the area since 1999.
